Dear Community Partner & Friend,

Happy New Year!

First and foremost, thank you for your support of the Great Falls Americans Little League. Our league had a successful 2015 campaign that began with the commitment of our sponsors. We appreciate your help and look forward to continuing our partnership.

First some highlights, the board of the Americans Little League secured some excellent volunteers, starting at the top with our President Garn Wanner. He and his wife/board member Kathy did a ton of work for our league to be successful. Scott Banderob, our grounds keeper/board member put our fields back in shape. James Nephew, our equipment manager/board member/coach got us organized and on track with regards to equipment. Sean Sturges became our volunteer coordinator/ board member; he also coached and created successful weekly developmental skills camp. Leann Svir, our secretary/board member took on the role of T-ball coordinator which might be our most challenging role. Mike Davis, board member/coach and his wife/ board member Alecia created a successful fall league that kept kids playing ball into October. Clint Irish coached, served as board member and helped the grounds crew and with umpiring when needed. Vern Hauck coached and served as board member. Jim Svir coached, served as board member and loaned his sons as umpires when needed. I am sure I left out other great helpers and we have added some new ones for 2016. Thanks to all of these volunteers, Americans Little League is poised to have an exciting 2016.

As we begin another year of Americans Little League Baseball and Softball, supporting the youth of our community, we continue to seek support from local businesses such as yours.
